

Electricians (m/f/d)

Join our Turbo-Technik Team!

We are currently seeking **electricians (m/f/d)** to strengthen our team.

Turbo-Technik is a family-owned company that offers exciting tasks and challenges for trainees, students and graduates as well as for experienced specialists and managers. We challenge, encourage and recognise performance. As a team, we support each other for everyone's success and are a "hands-on" family. We stand for flat hierarchies and short decision-making processes.

In addition to our locations in Rostock and Hamburg, our main headquarters and workshops are located in Wilhelmshaven, Germany.

Your task

- Repairs throughout the electrical field, as well as maintenance work on electrical machinery and switchgear
- Inspection of company-owned electrical tools, devices, and machinery
- Electrical preparatory work for installations and modifications on civilian ships and ships of the German Navy
- Electrical installation of integrated systems on ships

Your Benefit

- A fair and open corporate culture in a professional and international environment
- A young, innovative and motivated team as well as short decision-making processes
- An interesting and challenging position in a dynamically growing company
- The opportunity to actively shape our further growth with commitment and responsibility

- Cable tray construction and cable laying on ships
- Electrical repair and maintenance work on maritime navigation and information technology systems on ships
- Electronic installation of fire alarm systems on ships.
- Appropriate remuneration (IG Metall), 30 days holiday and opportunities for professional and personal development

Your profile

- Successfully completed vocational training in mechatronics, electronics, electrical engineering, or a successful qualification as an electrical specialist
- Independent, structured, and solution-oriented work approach
- Team spirit, flexibility, and communication skills

Challenge accepted?

Then we look forward to getting to know you.

Please use the "Apply now" button below. Thank you very much!

About TURBO-TECHNIK

Founded in 1967 in Wilhelmshaven, Germany, the family-owned company Turbo-Technik originated as a ship repair company for voyage and port repairs of seagoing vessels and today specialises in the repair of merchant vessels, from worldwide voyage and port repairs to conversions, after-sales services for large ship equipment as well as spare parts supply. In addition, we carry out repairs and maintenance of naval vessels as well as technical upgrades and modernisations of all kinds of ships worldwide. Another strong market segment of Turbo-Technik is the service, repair and construction of industrial, petrochemical and regenerative energy plants. In the industrial sector, we also offer engineering services, the construction of modules as well as steel construction and contract manufacturing.
